

# CHURCH SEATS AND CHURCH PEWS

New Styles Cheap and Endurable.

Comfort and Beauty Combined.

UNTIL the large number of people who are never seen in churches can be assured that every church in this vicinity will have a set of seats that will be clean, comfortable and inviting, they will not be seen inside a church. Many churches will supply this long-felt want if they could do so at prices and on terms within their reach, thus increasing their attendance, drawing on the unusually large number of people who do not attend the churches, and which would evidently result in every service being crowded. A barrier has been in the way in the form of high prices, shoddy goods and no terms. This barrier has been removed by the Church Supply Department of the National Baptist Publishing Board, which has presented the new style church seat (its own creation and its own make). These seats are constructed of the best grade of hardwood. They are built by the best skilled mechanics and have proven to be the most comfortable ever offered at the prices. The terms on which they can be purchased are so easy that any church, regardless of its financial condition, can secure a set of these by a small cash payment, have the seats installed and pay the remainder in monthly or quarterly payments to suit their own financial condition. How long, with such inviting inducements offered, will it be, before every church in and about Nashville will get a set of seats? References can be given to the Nashville churches by referring them to Rev. L. Kirkpatrick, pastor of the St. John Baptist Church, Pearl St.; Rev. J. L. Harding, pastor of the North Third Avenue Baptist Church, both of whom have seated with new style church seats; Rev. G. B. Taylor, pastor of the Second Baptist Church, corner Stevens and DeLuge Sts.; Rev. Wm. Haynes, pastor of Sylvan Street Church, Shelby Avenue, who have installed the church pews.

F. M. HAMILTON AS POSTOFFICE INSPECTOR-IN-CHARGE.

Much is being said in the press dispatches about filling the vacancy caused by the resignation of the post-office inspector-in-charge at Chattanooga, Tenn. It seems from the dispatches that the position will be brought into political controversy of the Brownlow-Evans faction, without regard to the competency of the aspirant. This, however, will possibly not be the case, as one of the daily papers contained a dispatch some days ago that F. M. Hamilton's name had been offered for the vacancy. Mr. Hamilton's eighteen-year record with the postoffice department in the inspection divisions ought to make him an easy winner.

### IMPERIAL GLEE CLUB.

The Imperial Glee Club met at the home of Mrs. Dixon, 1719 Jefferson street, Tuesday evening. The evening was spent in games. A short program was rendered. Mrs. Nichols spoke a few words of encouragement to the members of the club. The sets were served light refreshments. Those present were Messrs. Dixon, Anna Nichols and dames Dixon, Messrs. Malvin Hayes Turner and Mrs. Frierson, Misses John Sin and Mrs. Nichols, Jennie Ada Dixon, and L. B. Stringer. The Porterfield, and a large hour to meet club adjourned at a late hour in June the fourth Wednesday night in June at the residence of Mrs. Harriet Stringer.

### COMMENCEMENT EXERCISES.

(Continued from Page 1.)  
Principal G. Smith, of Pearl High School, and a able corps of efficient instructors merit unstinted praise and commendation for the great work they are doing in this city for the young men and women who are being turned out every year well equipped for the battle of life. Thursday evening's commencement exercises add other laurels to the instructors for their achievements in educational race building. May they, one and all, have many more years of continued success in the noble work they are doing. In the lives they are shaping they will live over their own again—these lives will be living monuments to the memory of their instructors.
